Table

Safety precautions

- Dispose of plastic bag from packaging and do not allow children to play with it.
- The table is only intended for interior use.

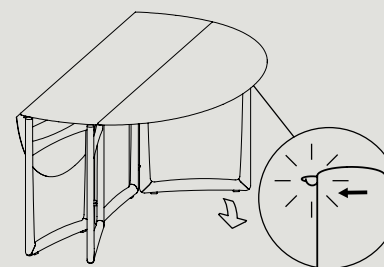

Cleaning instructions

- For daily care, dust oiled furniture with a soft dry cloth.
- Cleaning can be done using a soft cloth wrung in lukewarm water following the wood grain and dried immediately with a soft cloth following the wood grains.
- For more severe cleaning a soap specifically developed for oiled wood can be used.
- Follow the instructions on the packaging of the cleaning product. To maintain the look and silky feeling of oiled wood, regular re-oiling is recommended. Re-oiling should be done when the wood starts to appear dry or faded.
- Usually, reoiling one time every year is sufficient. Avoid use of cleaning detergents and abrasive cleaning agents as they may damage the surface of the table.

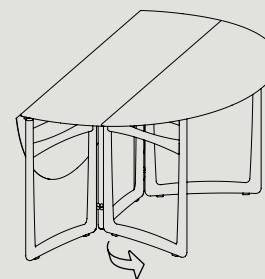

Step 1

To unfold the table, lift one side of the table top. Make sure to hold the table top in place, as there are no legs to support it.

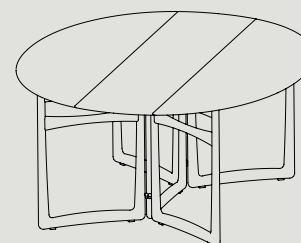

Step 2

While lifting the table top, pull the two legs on the same side towards the center until you hear a click sound indicating that the leg and the table top are now fixed.

Step 3

Repeat Step 1 and 2 on the opposite side of the table.

Step 4

The table is now unfolded and ready to use.
